### Inn Above Tide, Sausalito, CA

All 31 rooms at this [romantic Marin escape](#) hover over the San Francisco Bay, each with a private balcony that provides a millionaire's-eye-view. With your room's binoculars, watch Sausalito's seabirds and sailboats coast by against the backdrop of the twinkling [San Francisco](#) skyline. Plus, floor-to-ceiling windows means you can watch the moonrise from your soaking tub (tip: phone in the "romantic bath kit"). Luckily, you only have to worry about peeling yourself away from the comforts of your suite for few important things: the hotel's complimentary wine hour, and Sausalito's romantic restaurants, which sit just a quick stroll away. \$\$\$\$.
